## County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works

Michelle Matson, Traffic Engineer

VIA: Jeremy Ghent, Interim Transportation Division Manager

DATE: 4/19/2016

SUBJECT: Submittal of a resolution establishing changes to the Traffic Regulation Codes Modifying Speed Limits on Halcyon Road, Nipomo. District 4.

### **RECOMMENDATION**

It is recommended that the Board adopt the attached resolution amending the County's Traffic Regulation Code sections involving speed limits.

### **DISCUSSION**

The Department of Public Works received requests for speed limit review at the following locations:

Halcyon Road east of State Highway 1 (Mesa View Drive) is a two lane collector including commercial, single family homes and a neighborhood school. Currently, Halcyon Road between State Highway 1 (Mesa View Drive) and Pinecone Way has an established speed limit of 40 MPH with a 25 MPH school zone at Mesa Middle School. Public Works received a request via the South County Advisory Committee to extend the speed limit east to Zenon Way. Engineering and Traffic Surveys conducted along the corridor support a 40 MPH speed limit on Halcyon Road between State Highway 1 (Mesa View Drive) and El Campo Road and a 45 MPH speed limit between El Campo Road and Zenon Way in compliance with California Vehicle Code Section 21400.

Adopting this resolution, will bring the speed limits of the roads noted within requirements of the California Vehicle Code Section 22358.

Adoption of these regulations does not require a public hearing.

### **OTHER AGENCY INVOLVEMENT/IMPACT**

The California Highway Patrol will enforce these speeds, once posted. The South County Advisory Council has been notified of these proposed actions.

## **FINANCIAL CONSIDERATIONS**

Placement of signs and markings is estimated to cost approximately \$500. This is within the Road Fund's budgeted amount for this activity.

## **RESULTS**

Adoption of this Resolution will enhance County road safety and operations by enforcing speed limits, thus improving community livability.

## **ATTACHMENTS**
